Harnessing Information Technologies for Responsible Indigenous Resource Management

Our powerful user friendly software bundles are easily deployed onto reservation environments to sell Use Permits. Licensing Application or NAPS allows Data to be centralized and available across a broad field managing people, land, time, resources, and sales information.

Areas of Benefit:

- Law Enforcement
- Wildlife Management
- Visitor Management
- Land Management
- Financial Management
- Tribal Member Benefits
- Marketing Resources

With efficient digital collection systems the San Carlos Apache are empowered caretakers adapting modern and ancient tools to manage a diverse homeland. Sell your Fishing & Hunting Permits with indigenous technologies “NAPS” by Indigenous Management Systems
